

QUICK CHANGE?

If your child has ***TWO*** numbers or less to change their costume they are changing in the “quick-change” area behind the stage. All others are to change in their respective dressing areas.

If your child has never done this before please bring them backstage prior to performance time to meet with the quick change helpers for instructions as to how to exit the stage and their procedures of how a quick change is accomplished.

NEW QUICK CHANGE PROCEDURES!!!

****NEW**** Costumes for quick change are left at the back door behind the quick-change area only!! Please check in your costumes prior to the start of the show, for those with quick changes before intermission. For those with quick changes in the second act, please bring them back during the intermission. There you will be greeted by a quick change volunteer that will take your costume and discuss your quick-change needs. She will record this information on your “quick-change bag”.

Please do not leave a costume in quick change without checking in with the quick-change helper. ***You must talk to a helper before you leave your costume in the quick-change area!!***

Please have all costume pieces ready to be put on. (Example: unzipped/unbuttoned, shoes untied, no pieces inside out, and pre-pin your spankies to your skirt, etc.) If possible, layer tights for your ballet numbers. If you aren't sure how to do this, check with a quick-change helper for instructions. Please have all costume pieces, including shoes, labeled with your name. Please provide us with necessary safety and bobbie pins.

Dancers As you line up for your dance in the hallway you must notify the greeter at the door of your upcoming quick change. Once you get back stage you must **ALSO** tell **Miss Sonya** that you will be having a quick change. **PLEASE REMEMBER! THIS IS VERY IMPORTANT TO ENSURE ALL CHILDREN ARE ON STAGE FOR THEIR NUMBERS!**

After the child dances, tell them to ***quickly*** go behind the stage area, and a team of quick-change helpers will assist them with their quick change.

Quick change is over-dance is done-Please have your child stop at the back door where they left their costume to pick up their costume before returning to their regular dressing area. They will pass by the door on their way back to their dressing room using their usual return. Immediately after a quick change, please check your costume to make sure you have all of your pieces!! If you find something missing please notify a quick-change helper immediately using the back door where drop offs and costume pick-ups are done.

If you have any questions regarding quick-change please come to our back door area and we will be happy to answer any of your concerns or questions. We want this to be as stress-free as possible for all involved.

Thank you – Your Quick Change Team!
